presents  
two solo exhibitions

*Series 1-2*

May 25 to June 23, 1990

Opening Friday, May 25, from 7 to 10 p.m.

## Margie Kelk: MORALITY TALES

Centering upon the polarity between reality and the scope of human intentions, Margie Kelk's paintings involve the viewer on a progressive journey from the extremes of negativity to tentative affirmation of the positive. A first series of paintings deals with false ideologies, a fractured environment, and the holocaust of nuclear war. These images are offset by later works which offer a glimpse of life and hope beyond the narrowness of human perspective.
